The Philadelphia Sports Medicine Congress
June 2, 2006

Enrollment Form

Name: ____________________________

Address: __________________________

Institution: ________________________

Degree: _____________________________

Email: _____________________________

Work Phone: ________________________

Home Phone: ________________________

Registration fee: $40.00
Due by May 19th, 2006

Cancellation deadline May 26, 2006

Mail enrollment form and make check or money order to:
3B Research & Education Foundation
800 Spruce Street
Philadelphia, PA 19107

Att: Cliff Fawcett, FNP, ATC

Make checks payable to:
3B Research & Education Foundation
Any questions, please call (215) 829-2466.

Course Description
The course features current concepts and cutting edge issues in sports medicine. We will highlight various aspects of sports medicine including rehabilitation, medical, musculoskeletal, and surgical issues. Historical aspects of sports medicine in Philadelphia will be also explored.

This course is directed toward athletic trainers, physical therapists, physicians, advanced practice nurses and physician assistants.

Course Objectives
Review critical issues faced by the sports medicine practitioner in the care of athletes. Provide the most recent advances in care to athletes at all levels of competition. Provide practical, interactive learning of evaluative and treatment techniques.

Accreditation/CEUs
3B Orthopaedics is recognized by the BOC to offer continuing education for certified athletic trainers. This program has been approved for 5 CEUs.

Registration Fee
$40.00 (Includes breakfast and lunch.)

Registration Deadline is May 19, 2006.
Cancellations received in writing by May 26, 2006 will receive a full refund of their registration fee.

The Philadelphia Sports Medicine Congress

We have made a few changes this year to freshen the academic program, while still maintaining the traditions you have come to expect in the Congress. The addition of the cadaver anatomy sessions are sure to be popular and educational. Last year we previewed a section of the program called “Current Topics in Sports Medicine Research”. This is a “rapid fire” presentation format from local researchers who are on the cutting edge of sports medicine. A close look at the schedule will reveal a few more new items like “Ask the Sports Doctor” and “Pardon the Disruption”.

We will continue the tradition of honoring an outstanding team physician and athletic trainer with our Joe Torg and Ted Quidenfeld awards. This year’s Torg award winner is Dr. Vince DiStefano. Dr. DiStefano is a well respected orthopaedic surgeon who has served many athletes over the years and served as the Team Physician for the Philadelphia Eagles. Joe Iezzi, ATC, NATA District 2 Director and head athletic trainer from Downingtown East High School is our Ted Quidenfeld award winner.

Our goal in bringing these speakers together is to offer a program that is useful and practical for you, to the participant. See you on June 2.

Arthur R. Bartolozzi, M.D.
Course Chairman

Cliff Fawcett, FNP, ATC
Course Director
